Fittings CHIC OAK Collection

Door handles

The door handle is always standard (as in the product picture) and cannot be changed, even if the collection has more possibilities for door handles. The hardware can be delivered in either bronze or brushed aluminium (Zan).

Drawer handles

The choice of fittings is only possible for drawers, and we offer you the possibility to choose between B-handle, K-handle or S-handle.

Antique look

The edges are lightly sanded and finished in a special way that gives the furniture an antique look. This procedure is done manually, so it is unique and may differ from one product to another.
